WORK EXPERIENCE

FIVERR

Level 1 seller

March 2023 - Present

- Achieved Level 1 status with **30+ 5-star** rated projects, consistently delivering high-quality solutions with professional communication and timely execution.

PROJECTS

INTEGRATED CAMPUS MANAGEMENT SYSTEM (PHP, MYSQL)

[Live-link](#)

- Student Portal:** Developed secure **Admin & Student** dashboards where students can download their complete academic data as PDF and generate auto-filled SAF forms instantly.
- Fee Management:** Integrated **SSLCommerz Payment Gateway** with secure redirect handling (Success/Fail) and synchronized real-time transaction records using **MySQL**.
- Campus Utilities & Support:** Built a dynamic notice board, a support/complaint ticket system, and a moderated Lost & Found hub with multi-tab filtering and a live navbar notification badge.
- Security & Deployment:** Implemented **Session-based Authentication** and PDO-prepared statements to protect user data, deploying the multi-tenant system on live hosting and Vercel with dynamic routing.

Technologies: PHP, MySQL, Tailwind CSS, SSLCommerz, PDF Libraries

E-COMMERCE WEBSITE (REACT JS)

[Live-link](#) | [Source-code](#)

- Product Catalog:** The website features a clean and organized product catalog, allowing users to browse through various items with images, descriptions, and prices.
- Responsive Design:** The website is mobile-friendly, adapting to different screen sizes for an optimal shopping experience on phones, tablets, and desktops.
- User Authentication:** There's a login feature for users, which suggests potential integration for account-based shopping, personalized experiences, or member-specific deals.

Technologies: React.js, Tailwind CSS, SASS/SCSS, React Slick Slider, Material UI, Ant Design

EDUCATION

Secondary School Certificate

Technical Training Center, Rajshahi, Bangladesh 2021-2023

Diploma in Computer Engineering

Rajshahi Polytechnic Institute, Rajshahi

Session: 2023-2024
